

MUSIC THEN AND NOW 3

What's in the Band?

Instruments that are used in ensemble differ across time and culture. Research how the instruments from a Renaissance band sounded, and write descriptions. Then select contemporary instruments you would like to have in a band you could create at this time in history. Name and describe the sounds of those instruments. Decide whether your band would sound better indoors or outdoors.

Renaissance Band THEN

Instrument Name	Description of Sound
Shawm	<u>double reed, loud, pinched sound</u>
Crumhorn	_____
Sackbut	_____
Cornetto	_____
Dulcian	_____
Trumpet	_____
Serpent	_____
