

Dear Parents,

As you know we are very concerned that we keep our schools free from weapons.

We can do that with your help. To support a Zero Tolerance for Weapons (ZTW) program, please remind your child/ren that weapons, replicas of weapons, or other items that can be used as weapons, are not allowed at school.

Thank You,

Zero Tolerance For Weapons (ZTW)

Remind them that the penalties are severe, and a warning will not be given beforehand. Remind them that ZTW applies on school buses, in the lunchroom, on the playground, or at any school activity or function.

Also, remind them that if they assist someone or know of someone who has a weapon and don't report it to a school official, they can also be in trouble.

Please explain that it would be very unfortunate if someone were injured, or the school's safe environment were violated, or someone was threatened or frightened because a weapon or replica was brought to school, or a student were threatened with an item not usually considered a weapon.

It would also be unfortunate if a student were suspended or expelled unnecessarily from school because together we didn't properly inform students of our Zero Tolerance for Weapons program.

I have asked our Principals and Teachers to emphasize ZTW. Please make it a priority of yours to spend a few minutes discussing this matter with your child/ren, no matter their age. Young children are as likely to bring a weapon to school as older students. Your assistance is vital as well as very much appreciated.

Can Students Get Into Trouble For Bringing A Knife To School For a Scout Meeting After School, Even If They Keep It In Their Backpack?

What Does It Mean?

Don't chance it! The knife could accidentally fall out and your child would be in violation of the policy.

Zero Tolerance means that weapons or replicas are not allowed in school. Precise steps will quickly be taken to rectify the problem. **Severe corrective action and punitive actions will be taken. No leniency** will be shown towards violators.

Is Threatening Someone With An Object Not Normally Considered a Weapon An Infraction?

Yes! Items not designed as weapons, but used as weapons to harm, frighten, or threaten someone are considered weapons.

Are School Buses School Property?

You bet they are! **Weapons are not allowed on school buses**, nor at any school functions or activities.

In addition, Military Authorities and German Authorities will be involved in serious incidents and could take additional action.
